### Under-Speed Vehicle Inspection Form

This letter is to certify that the under-speed vehicle below has met or exceeded the requirements for safety equipment which is spelled out in Village Ordinance #957 herein attached. This was not an inspection to determine road-worthiness of the vehicle and should not be considered as such.

#### Safety Equipment Checklist:

Operational Tail Lights	_____
Operational Brake Lights	_____
Operational Headlights	_____
Functional Rearview Mirror	_____
Operational Turn Signals	_____
Operational Horn	_____
Windshield (glass/safety glass)	_____
Side Mirrors (left and right)	_____
Operational Seatbelts	_____
Rear license plate illumination (50ft)	_____

Please submit this Certificate of Inspection to the Clerk of Courts Title Office to obtain certificate of Title for under-speed vehicle. Once completed and vehicle is registered with the State of Ohio, return to the Police Department to receive your assigned inspection sticker # \_\_\_\_\_ which needs to be properly affixed to rear of said vehicle at all times.
